The Story So Far

At 1614 and a Japanese delegation has arrived in the southern part of Spain in Badajoz de Ruismarcha. Maria helps out at the dinner party for them, where she ends up running into Kiyono. After the delegation leaves, Maria discovers that Kiyono is on the verge of dying. While she instinctively takes care of him, she gradually comes to like him. Then, one day, Kiyono goes to the harbor to return to Japan, but the crew refuse him passage on board the ship. So, he takes Maria as hostage to force his way onto the ship. After sailing east for only four days, a pirate vessel takes the ship he is on, but finally, for him, the captain of the pirate ship, Captain Bunt, leaves Kiyono's father, Bunt Masamune. So, the captain decides to turn the ship around Japan for Kiyono. Then, on the ship, Maria and Kiyono confess their love for one another.

WOW

I'M

YOU SAID

YOU...

HEY,

SOME
JAPANESE!

I WANT TO BE
ABLE TO SPEAK

HE DIED BY
MY FATHER'S

A FAMILY

WHO WAS GOING
TO BECOME THE

I GOT THAT...
AWFUL NAME
BECAUSE...

HE WANTED
YOU TO CARRY

YOUR FATHER
NEVER MEANT TO
KILL YOUR LITTLE

I LOVE THE

THANK YOU,

YOU

*We're finally

♡「一般的な歴史の教科書には、数年前にスペインに渡った日本人使節団について、「行で書き示されていますが、その一行から想像する使節団のタイナミックな運命やカルチャーショック、文化の交流など、様々なイマジネーションを与えてくれます。元々、歴史は苦手ですが、史実から想像することは大好きです」と語ってくれた上田倫子先生。
